

Our Mission

“The mission of NERA—The New England Region Alumni Association is to support the people, programs, and the priorities of The New England Region of The Phi Theta Kappa Honor Society. Alumni have valuable contributions to make to Phi Theta Kappa.

Through alumni support, the integrity, and value of the Region and Society’s programs and services will be protected and enhanced, while new programs and services can be developed and offered in the future.”

Our Journey

On March 6, 2005, following the New England Regional Convention at Manchester Community College in

Connecticut, what was once a possibility became a reality. Forty-five alumni with their roots firmly planted in New England signed the charter binding them together as the New England Region Alumni Association, or NERA. Though some now live outside the New England area, they will always be valued members of the association.

Throughout the years, NERA has been involved with the logistics of regional events. Alumni have contributed by presenting workshops and handling registration tasks both on-site and prior to the Regional Leadership Conference in the fall and the Regional Convention in the spring. NERA members, working with the Regional Advisory Board, have also been instrumental in the restructuring process of regional elections. Most recently, NERA has taken on leadership positions on regional committees and hosted the Chapter Officer Leadership Academy.

Our Goals

- ◆ Continue to have a presence within the Region.
- ◆ Ability to continue relationships and meet new people, while participating in regional activities.
- ◆ Serve as a guide in helping new members of Phi Theta Kappa with their roles as leaders in their chapter and the region.
- ◆ Work within the Region in providing assistance to members with various projects and programs.
